

## **Willie Toliver**

Mr Toliver has been a patient of the 4C's Clinic for over three years. He is an active participant of the diabetes education program for about two years and has become a coach, giving presentation on diabetes for about a year. He is a BOI (Born on Island) and currently a resident of Galveston. He is a former police officer, having served 8 years in Houston and four years in Fort Bend as a deputy. He attributes part of his success as a coach and diabetes educator to this successful 10 years of abstinence and sobriety from past substance use.

He gives diabetes classes every other Friday at Jesse Tree Food Fairs where his popular classes maintain the largest number of participants - many who identify with his past life experiences and his successful outcome.

Mr. Toliver seeks to help efforts to improve healthcare services in the 4C's Clinics. Board Memberships
