

Public Health Information Network (PHIN) Application

PHIN is a federal and state initiative to ensure that each community has rapid and timely access to emergent health information for effective public health preparedness, response, and service on a 24/7 basis. As a participant of the PHIN, you will have free access to the New England Journal of Medicine (NEJM) under the "TXPHIN Links".

You should log into the PHIN upon receiving health advisories, alerts, or tests. You will only receive information pertinent to your field of work.
