

4C's CLINICS

**Galveston County
Health District**

WE ARE LISTENING

We are redesigning the clinics to make your visit
quick and courteous

Services include medical and dental care at two out-patient clinics; discounted services available to any Galveston County resident using a sliding scale

Some of the services we provide:

Family medicine
Pediatrics/well child visits
Geriatrics
Pre-natal care
Well woman visits
Family planning
Basic dental services
Basic pharmacy services

Come visit either one of our two clinics, and see for yourself
