

## Seeking Volunteer/Donations for April Immunization Week Activities

### Why:

- To increase awareness of the need for immunizations, especially in the two year and younger population.
- To get the message out to the public about the dangers of pertussis (whooping cough)
- To encourage timely receipt of vaccine, especially the DTaP #4

### When:

- April 22-29, 2006 is the actual event
- February, March, and April for preparation

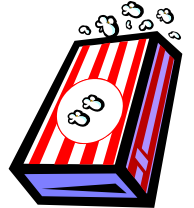

### Who:

- Agencies
- Individuals

### What:

- Donations for children getting shots (toys, books, treats, etc.)
- The ability to print posters and fliers
- Distribution of informational materials to the public and to providers
- Exhibits or activities that children/parents may like such as reading or educational games/services/crafts
- Help administer vaccinations (must be licensed)
- Help set up and run immunization events

### Where:

- Three Galveston County Health District walk in Immunization Clinics in Texas City, Dickinson, and Galveston.
- Other sites identified as pockets of need (to be determined)

### How:

- Contact June Gonzales at 409-938-2244 ([jgonzales@gchd.org](mailto:jgonzales@gchd.org)), Galveston County Health District, 1207 La Marque, TX 77568
