

Ms. M. Helene Little

Ms. M. Helene Little is a resident of Kemah that brings a unique prospective to the 4C's Governing Board. She holds both a Bachelors of Environmental Design, and a Master's of Science in Land Development focusing on healthcare facilities. After many years of employee provided insurance, she now finds herself uninsured and finds the 4C's clinics to be very welcoming and needed. Helene says, "It is great to have a clinic that helps people without health insurance since there are not a lot of options out there for uninsured people."
