 - There have been 0 reported positive cases of Rabies.

- 3) Events/ Programs
 - a. **Adoption Specials:** From October through December, the ARC has consistently hosted adoption specials for puppies and adult dogs. These specials were offered monthly, to encourage adoptions and reduce shelter capacity.
 - b. **Volunteer & Service Projects:** Topgolf team members consistently volunteered their time to help clean kennels, walk dogs, bathe animals, and prepare donation bags, offering valuable hands-on support while strengthening community connection.
 - c. **Festivals & Public Outreach:** The ARC participated in several community outreach events, including the Tractor Supply Adoption Event, BarktoberFest in Kemah, and Tiki Island National Night Out. These events increased community visibility, promoted animal welfare, and helped connect adoptable pets with potential families. In addition, our Sponsor-A-Heart Bingo Card fundraiser showcased strong community engagement, with all 16 animals fully sponsored and a complete blackout board achieved, demonstrating the community's commitment to supporting lifesaving efforts.

4) Media Releases

- a. **Public Awareness & Safety Messaging:** The ARC shared public awareness posts to keep the community informed on important animal health and service topics, including updates on Avian Influenza, and Equine Herpes Myeloencephalopathy. These communications helped educate the public while ensuring transparency and access to essential resources.
- b. **Collaborative Disease Surveillance:** The shelter worked closely with UTMB, the Texas Parks and Wildlife Department, and the National Veterinary Services Laboratory to test small mammals and aviary species for avian influenza, enhancing public health and safety by supporting early detection, preparedness, and protection for both animals and the community.
- c. **Low-Cost Vaccine Clinics:** The ARC consistently hosted affordable vaccine clinics, partnering with Bulletin Board and Daily News to promote them. These clinics ran nearly every month, providing vital care access for pet owners. Upcoming December vaccine clinic dates are 12/10, 12/17, and 12/19.
- d. **Adoption & Foster Programs:** The ARC consistently shared posts featuring adoptable animals, highlighted long-term residents, and emphasized the ongoing need for fosters and transport volunteers. These efforts help expand support for shelter pets and increase live-release outcomes. In addition, the ARC promoted its Thanksgiving “Turkey Tester” foster program to recruit short-term holiday fosters, raising awareness of the foster program, encouraging community participation, and highlighting the importance of giving shelter dogs a temporary break from the shelter environment.
- e. **Volunteer Recruitment:** The ARC posted weekly to highlight the ongoing need for volunteers, including general helpers, encouraging community members to get involved and assist shelter operations.
- f. **Community Engagement:** This fall, the ARC hosted its first-ever Shelter Dog Halloween Costume Parade, where volunteers dressed up shelter dogs and paraded them around the facility to increase adoptability, fostering community involvement and fun. We also held our second annual Thanksgiving Feast, serving our animals a special meal of turkey, sweet potato, carrots, green beans, and pumpkin puree—all generously donated by the community—celebrating unity and support for the animals in our care.

- 7) The ARC's Pet Food Pantry, supported entirely by donations from the community and local nonprofit organizations, provided much-needed food and supplies to 59 households, helping care for 268 pets.
- 8) The ARC extends heartfelt thanks to Tractor Supply in Bacliff for their generous \$500 donation and to the Krewe of Thalasar, a nonprofit organization that raised funds to support our shelter. Both partners have also helped promote adoption specials, increasing opportunities for pets to find their forever homes.
- 9) We continue to increase our rescue partnerships and strive to increase our live release outcomes. Since Oct 1st we have had 165 transferred into rescue. In addition to increasing our live release rates, we post "Stray of the day" on Facebook and Instagram to bring exposure to animals found as strays.
- 10) We continue to work with non-profit organizations for assistance in sponsoring services for ARC pets. Best Friends, Animal Alliance, SNIP, Houston Humane Society, Bay Area Pet Adoptions, Second Chance Pets, and Foster Berg Rescue.
- 11) We continue to make efforts with assisting with owner surrender intervention and rehoming, lost and found pets, and posting impounded animals via social media daily. Since Oct 1st, we provided rehoming resources to 83 citizens, 148 animals, and kept 144 animals out of the shelter. We also provide assistance to citizens with resources to retain their pets; social media posts looking for fencing fixtures, kennels, and doghouses.
- 12) The ARC would like to thank the Boot Kickers Bingo Charity Fund/Animal Alliance for the use of funds to support the discounted adoption programs; bingo black, at risk, and senior adoptions.
- 13) We are continuing to report all ARC building maintenance needs to county maintenance for the upkeep of the ARC.
- 14) To keep up with the ARC and all of our events, adoption specials, and locations, please follow our Facebook and Instagram pages for current updates. #follow, # like, #share, all of our posts! Thank you!!

D. Additional Provisions

1. Shelter Capacity, Priority Call Procedures, and Holidays/After-Hours Procedures

During periods when the Galveston County Animal Resource Center is at or over capacity, the Director of Animal Services will issue a capacity order. At that time:

- All contracted municipalities shall comply with the directives issued by the Director of Animal Services
- These municipalities must limit their operations to priority calls only, which include but are not limited to public safety concerns, injured or aggressive animals, and law enforcement assistance.
- During inclement weather events, this same priority-call-only protocol will automatically be in effect until further notice from the Director of Animal Services.

During periods when the Galveston County Animal Resource Center is closed for holidays and after-hours, municipalities shall:

- Follow Priority Call Procedures (EXHIBIT C)

2. Seizures, Abandonment, and Writ of Possession Cases

In all cases involving animal seizure, abandonment, or writs of possession, the following procedures apply:

- All contracted municipalities shall comply with the directives issued by the Director of Animal Services for all potential impoundments before removing any animals.
- Explicit approval from the Director of Animal Services or designee is required prior to any impoundment.

This procedure ensures that shelter capacity is managed effectively and that adequate space is available for incoming animals, considering both the type and number of animals involved.

3. Pet Reunification and Field Microchip Scanning

To support efficient pet reunification efforts and reduce unnecessary impoundments:

- All contracted municipalities are required to scan animals in the field for microchips and research the microchip for information prior to impoundment.

- Municipalities must make reasonable efforts to reunify animals with their owners in the field before transporting animals to the shelter.
- Compliance with this reunification policy is mandatory under this interlocal agreement.

III. INDEMNITY

To the extent allowed under applicable law, the County and Cities agree to hold harmless, indemnify and defend GCHD and its employees, agents, officers and servants from any and all lawsuits, claims, demands and causes of action of any kind arising from the negligent or intentional acts, errors or omissions of the County or Cities, their officers, employees or agents with respect to services rendered under the scope this Agreement.

Respectively, to the extent allowed under applicable law, GCHD agrees to hold harmless, indemnify and defend the County and Cities and their employees, agents, officers and servants from any and all lawsuits, claims, demands and causes of action of any kind arising from the negligent or intentional acts, errors or omissions of GCHD, its officers, employees, or agents with respect to services rendered under the scope this Agreement.

IV. TERM, TERMINATION, AND AMENDMENT OF SERVICES

The terms of this Agreement shall commence on October 1, 2025, and end on September 30, 2026. Thereafter, the Agreement shall automatically renew on an annual basis.

Any Party shall retain the right to terminate or limit the services it receives through its participation in this Agreement solely to that of either field or shelter services by providing written notice of termination or amendment to GCHD's Chief Executive Officer at least six (6) months prior to the end of the Agreement's term, which parallels GCHD's fiscal year (October 1 – September 30). A Party may terminate or amend services prior to the end of the fiscal year so long as said Party provides at least six (6) month prior notice of the change; however, the Party is still mandated to fulfill its complete compensatory obligation through the conclusion of the Agreement's fiscal year and as defined in EXHIBIT A. Such termination or amendment notice must be authorized by the governing body of the terminating or amending party and signed by the party's authorized official. The terminating or amending party shall specify the effective date of termination or amendment within the notice. The termination or amendment shall not relieve the terminating or amending party of any obligation incurred by the Party prior to the effective date of termination or service change. GCHD shall provide a copy of the notice of termination or amendment terms to the authorized official of all Parties to the Agreement within thirty (30) days of receiving said notice. Withdrawal or amendment by, or removal of a party, shall not terminate this Agreement to non-terminating or non-amending Parties.

V. APPORTIONMENT OF COSTS UPON CHANGE OF PARTIES OR SERVICE PROVISIONS

A. Reduction of or Change in Service Provisions to Current Parties

Should there be a reduction of current Parties to the Agreement or a change in the provision of services rendered to a current Party to the Agreement, GCHD's Chief Executive Officer and/or designee shall be tasked with amending the Animal Services Funding Formula for the following fiscal year and presenting said formula to all remaining Parties for review and deliberation prior to its effectuation. Upon finalization, the revised Funding Formula shall replace the existing one, affixed to this Agreement as EXHIBIT A, which shall then become operative at the start of the new fiscal year.

B. Addition of New Municipalities

Should there be an addition of a municipality to the Agreement, GCHD's Chief Executive Officer and/or designee shall be tasked with amending the Animal Services Funding Formula to reflect the expense contribution of the joining municipality and presenting said formula to all Parties for review and deliberation prior to its effectuation. Upon finalization, the revised Funding Formula shall replace the existing one, affixed to this Agreement as EXHIBIT A, which shall become operative immediately at the time in which the amended Agreement is wholly executed.

Re: Priority Call Procedures for Observed Holidays and After-Hours Request for Animal Control

The on-call Animal Control Officer (ACO) assumes duty after completing a full work shift. Therefore, only **Priority Calls** should be dispatched to the on-call officer. The expected response time for priority calls is within 1 hour.

If assistance is no longer needed, please **cancel the after-hours service request** with the ACO.

Priority Calls are as follows:

- A) Animal Attacks or Bites on **Humans Only**
 - a. Animal Control Officers shall respond to all reports of animal attacks or bites involving humans.
- B) Suspected Rabies
 - a. Any report or observation of an animal suspected of having rabies shall be treated as a priority call.
- C) Injured Stray Animals
 - a. Officers shall respond to reports of only stray animals **injured**.
 - b. If the animal is owned, the owner is responsible for obtaining emergency veterinary care. Officers may provide guidance but are not responsible for transport or treatment of owned animals.
- D) Assistance to Law Enforcement
 - a. Managing animals belonging to individuals taken into custody.
 - b. Handling animals that may pose a threat to officer safety or interfere with law enforcement duties.
- E) Threats to Public Safety
 - a. Any situation in which an animal poses a potential or immediate threat to public safety shall be classified as a priority call and responded to accordingly.

Non-Priority Calls

- Non-priority calls are incidents that do not present an immediate threat to public safety, animal welfare, or law enforcement operations. These situations may be safely addressed during **regular business hours**.
- Non-priority calls should be reported to the Animal Resource Center on the next business day by calling 409-948-2485.

Non-priority calls may include, but are not limited to:

- A) Non-aggressive strays or running at large animals
- B) Nuisance animal complaints (e.g., barking, wildlife sightings)
- C) Deceased animals in non-hazardous locations
- D) Reports of dog fights not in progress
 - Example: follow-up reports or information received after the incident has occurred
 - Note: If a dog fight or animal attack is **actively occurring**, it shall be treated as a Priority Call due to the immediate threat to animals and public safety.
- E) Routine welfare checks (e.g., general living conditions inquiries with no immediate visible signs of distress, injury, or neglect).

The after-hours contact number for internal use is 409-370-5980. This line is operational daily from 5:00 PM to 8:00 AM, and all day on Sundays and observed holidays. This number is restricted to authorized personnel only and **must not be distributed to the public**.

If the Animal Control Officer does not respond to a priority call within a reasonable amount of time (1 hour or less), please contact the Director of Animal Services at 409-939-0881 or the Shelter Manager at 409-795-7164.
