STEP 4 (OPTIONAL): Opt into additional sub-challenges to compete on behalf of your school district or employer.

Read the instructions carefully, as certain limitations apply.

The following challenges are optional and not required.

School District Challenge

Do you work for a school and/or school district or do you have a child currently enrolled in a school (grades K-12) in Texas? If so, you're eligible and encouraged to participate in the School District Challenge! By opting-in, any points you earn for your community will be automatically credited to the school and school district you've selected to represent.

Note: to earn points for your school and school district you must opt-in by selecting the school and school district you'd like to represent below.

Please feel free to contact us if you have questions about the School District Challenge.

Would you like to participate in the optional School District Challenge?
